¹ The Nevada Executive Order appears to be a general non-essential business order, but does not order all businesses to close and does not provide an exact definition of “essential businesses.”
Effective May 29, 2020 museums, art galleries, zoos and aquariums may reopen to the public at 50% of the listed fire code capacity.

Effective May 29, 2020 body art and piercing facilities may reopen to the public subject to the provisions in Section 31 of Directive 021.

**Definitions and Exceptions for Essential Services**

- An essential licensed business, including but not limited to, healthcare providers, veterinary services, grocery stores, pharmacies, financial institutions, hardware stores, convenience stores, security services, and gas stations are encouraged to continue operation but must adopt COVID-19 risk mitigation measures.
- Retail cannabis dispensaries may operate by delivery only.
- Construction, mining, manufacturing, and infrastructure sector labor force may continue operations, but shall maintain strict social distancing practices.
- Other businesses not specifically ordered to close, not including retail, may continue to operate provided they implement social distancing.

**Prohibitions**
any retail business not identified [as Critical Infrastructure Operations], or authorized to continue operations pursuant to any clarification, guidance, rules, regulations, or restrictions issued, provided, or promulgated, or which may be issued, provided, or promulgated by the Department . . . shall be subject to the following emergency rules: (1) The business shall limit the number of customers allowed to enter and simultaneously occupy the premises so as not to exceed five (5) customers per 1,000 square feet of retail space; (2) The business shall not knowingly allow customers, patrons, or other guests to congregate within six (6) feet of one another, exclusive of family units; and (3) The business shall implement all reasonable steps to comply with any applicable sanitation guidelines promulgated by the CDC, DHEC, or any other state or federal public health officials.

Restaurants may begin to provide outdoor dining services subject to the requirements in Section 2 of EO 2020-31.

Entertainment venues and facilities, along with recreational and athletic facilities and activities may resume pursuant to EO 2020-37.

**Definitions and Exceptions for Essential Services**
South Carolina does not define “Essential Business,” rather, it lists 4 sectors and sub-sectors of businesses that the state deems “non-essential” in paragraph D of the attached order.

EO No 2020-28 modifies EO 2020-21 to allow Retail Businesses to resume operations subject to sanitation, social distancing, and maximum occupancy requirements as outlined in EO 2020-28

South Carolina defines Critical Infrastructure operations as:
(1) individuals operating commercial vehicles transporting essential goods and products;
(2) individuals performing or assisting with military, healthcare, public safety, or emergency response operations, as well as any other operations or services identified by the United States Cybersecurity and Infrastructure Security Agency (CISA) (for a comprehensive list of CISA critical infrastructure, see endnote 2).

**PROVISIONS RELATED TO STAY AT HOME**

**Prohibitions**
All residents and visitors of the State of South Carolina are urged to limit social interaction, practice “social distancing” in accordance with CDC guidance, and take every possible precaution to avoid potential exposure to and to slow the spread of COVID-19 and shall limit their movements outside of their homes.

**Exceptions**
N/A

**Quarantine order for incoming travelers?**
Any individual who enters the State of South Carolina from an area with substantial community spread, to include, New York, New Jersey, Connecticut, and the City of New Orleans shall isolate or self-quarantine for 14 days.

**Exception for Essential Workers?**
Mandatory self-quarantine does not apply to individuals employed by airlines, and individuals performing or assisting with military, healthcare, or emergency response operations.

### PROVISIONS RELATED TO ESSENTIAL SERVICES

**Provisions Related to Phased Re-Opening**

Beginning April 20, 2020 ACCD, in consultation with VDH and the DPS/VEM shall issue guidance which authorizes “micro-crews” or no more than two persons per location/job to perform outdoor work and construction work in unoccupied structures.

Beginning April 20, 2020 retail services may resume operations with the minimum number of employees to support curbside pick-up, delivery, and warehouse or distribution operations.

Services operating with a single worker may resume operations so long as no more than two persons are present at one time.

Businesses and non-profit/government entities deemed critical may continue to operate under pre-existing guidance and shall operate under the mandatory health and safety requirements outlined below.

Beginning April 27, 2020 the following shall be allowed:

1. “micro crews” or no more than 5 persons per location/job to perform outdoor work and construction work in unoccupied structures.
2. manufacturing and distribution operations may resume with a maximum of 5 employees at any location and if they ensure employees are six feet apart at all times.
3. supporting operations may continue with the minimum number of employees necessary to support curbside pickup and delivery services.
4. resumption of in person shopping at outdoor retail may resume provided that the staff shall not permit more than 10 persons total including staff.
5. Libraries may allow for curbside pickup for lending.

Beginning May 4, 2020, the following shall be allowed:

1. small crews of no more than 10 persons per location/job to perform outdoor work and construction;
2. manufacturing and distribution operations may resume with a maximum of 10 employees in any location if they are low-density and ensure employees are 6 feet apart at all times;
3. supporting operations may continue with the minimum number of employees necessary to support curbside pickup and delivery services.

Effective May 7, 2020, all businesses and non-profit government entities which support or offer outdoor recreation and outdoor fitness activities that require low or no direct physical contact may...
begin operations subject to compliance with the health and safety guidelines and training requirements set forth in paragraphs 4 and 5 of Addendum 13.

| Definitions and Exceptions for Essential Services and Requirements for Businesses Re-Opening | Businesses operating under the prior Addendum 6 and 9 and those re-opening under the phased re-opening must take the following measures: (1) employees shall not report to or be allowed to remain at work if sick or symptomatic; (2) employees must observe strict social distancing of 6 feet; (3) employees must wear non-medical cloth face coverings over their nose and mouth where in the presence of others; (4) employees must have easy and frequent access to soap and water or hand sanitizer during the duration of work and handwashing or sanitation shall be required before entering and leaving job sites. (5) frequent sanitation of high touch surfaces; (6) no more than 2 people shall occupy one vehicle when conducting work. (7) to the extent feasible, prior to commencing each work shift pre-screening, including temperature checks shall be required to verify each employee has no symptoms of respiratory illness; (8) signs must be posted at all entrances clearly indicating that no one may enter if they have symptoms; (9) no congregation of employees shall be permitted on site; (10) no workers who have knowledge of contact with a worker who is diagnosed with COVID-19 shall be permitted on site; (11) indoor workspaces where more than 2 people are working must have good air circulation; (12) all operations shall designate a health officer on site at every shift responsible for ensuring compliance with Addendum 10 and Addendum 11. (13) all employees, including those already working must complete, and employees must document, a mandatory training on health and safety requirements as provided by VOSHA. Employers shall provide training and a written copy of standard operating procedures to be developed by VOSHA including training on the signs and symptoms of COVID-19, information on appropriate social distancing, and personal hygiene, and the types, proper uses, limitations, locations, handling, documentation, removal, and disposal of PPE. Per Addendum 12 to EO 01-20, All businesses and non-profit and government entities who have suspended operations for 7 or more days under Addendum 6 shall have on file a health and safety training plan prior to reopening. This plan shall be made available to VOSHA or to any employee upon request. |

| PROVISIONS RELATED TO STAY AT HOME | All Vermonters are encouraged to limit their exposure to disease outside their homes or places of residence as much as possible. Vermonters should travel only as needed for: (1) personal safety; (2) groceries or medicine; (3) curbside pickup; (4) medical care; (5) exercise; (6) care of others; (7) work for essential businesses. Any person traveling into Vermont for anything other than an essential purpose, must immediately self-quarantine for 14 days. Mandatory self-quarantine does not apply to persons traveling for personal safety, food, beverage, medicine, medical care, to care for others, and to perform work or services in functions deemed critical. |

ENDNOTES

1. This spreadsheet provides a comprehensive overview of the services each state deems “Essential” and excepted from the general orders to close or stay-at-home. These lists are not all inclusive, and some of the general categories are restricted further to limit those essential services within the general category. For a comprehensive list of your state’s “Essential Services” please contact your Dykema relationship attorney.

2. Some states have expressly adopted the Cybersecurity and Infrastructure Security Agency’s (CISA) list of critical infrastructures. States that have not expressly adopted the CISA guidance on critical infrastructure have mirrored the essential services closely. A comprehensive list of critical infrastructure and essential services adopted by CISA can be found here.
