Saint Mary's College, B.S., *summa cum laude*

In her practice, Kathleen A. Reed has counseled a variety of health care providers, including hospitals, home health agencies, hospices, nursing homes, pharmacies, durable medical equipment suppliers and individual practitioners. Her practice encompasses many aspects of health care law, with particular emphasis on reimbursement, pharmacy and drug control and resale issues, fraud and abuse, scope of practice, licensure and regulatory matters and patient care issues. Ms. Reed has also provided counsel on compliance with Medicaid and Medicare requirements for participation and reimbursement and has assisted clients appeal adverse Medicare and Medicaid reimbursement decisions. She has also counseled health care clients on general corporate matters. Prior to her legal career, Ms. Reed practiced as a Registered Nurse in a variety of health care settings, including critical care, medical and surgical nursing, and home care.
