Jonathan Ibarra is a litigation attorney in Dykema's Chicago office. Mr. Ibarra primarily focuses his practice on the defense of physicians, medical professionals and hospitals in medical malpractice and health care litigation. He also has significant experience in all areas of civil litigation, including commercial and real estate litigation, and personal injury defense, including products liability, construction/engineering, transportation, and premises liability. He has consistently achieved a successful outcome on behalf of his clients through trial, mediation, and alternative dispute resolution.

In law school, Mr. Ibarra participated in advanced trial advocacy and competed on the University of Illinois, College of Law, Moot Court team.
