Sharon Salinas is an environmental and litigation attorney in Dykema's Chicago office. Ms. Salinas practices in the areas of Superfund environmental actions, transactional environmental matters, environmental litigation, premises and product liability litigation, and commercial litigation. With regard to Superfund experience, Ms. Salinas has worked with multiple clients in matters brought by the U.S. EPA's Region 5 Superfund Division. This includes representation of individual client companies in all aspects as a member of a PRP group, and representation of individual client companies as a member of a Steering Committee and/or Technical Panel. Ms. Salinas has also represented PRP groups serving as administrative counsel, liaison counsel, and/or group administrator.

Ms. Salinas is admitted to practice before the Federal Bar and the Federal Trial Bar.
