### **Rob Boonin Foresees New Regime at the National Labor Relations Bureau in *SHRM* Article**

**August 4, 2017**

Robert A. Boonin, Detroit and Ann Arbor-based member in Dykema's Labor & Employment Practice Group, and former chair of the Wage and Hour Defense Institute, was quoted at length in the *Society for Human Resource Management* story, "Senate Confirms Kaplan to NLRB: Decisions Likely to Be Overturned."

In his extensive commentary, Boonin predicts that the appointment of more pro-management board members appointed by the new Administration will likely lead to the reversal of several Obama-era NLRB decisions, and provides a detailed list.

The full *SHRM* article will be found [here](#).
