Terri Reiskin Comments on Trial Consolidation Polemic in *National Law Journal* Article

July 25, 2017

Terri S. Reiskin, Washington, D.C.-based member and leader of Dykema's Products, Class Actions & Professional Liability Practice Group, was quoted in the *National Law Journal* story, "Consolidated Trials Drawing Fire From Defense as Unfair."

Reiskin predicts that controversies provoked by the practice of consolidating similar product liability cases prior to trial are likely to increase.

Subscribers to the *National Law Journal* can read the article [here](#).
