Van Lindberg Quoted in *Detroit Free Press* and *USA Today* Article on Autonomous Vehicles

November 21, 2017

Van Lindberg, San Antonio-based senior counsel in Dykema's Intellectual Property Practice Group, raises some thought-provoking questions about the dilemmas facing developers of autonomous vehicles in the *Detroit Free Press* story, "Morality, Ethics of a Self-Driving Car: Who Decides Who lives, Dies?"

The full *Detroit Free Press* story will be found here. The article was also picked up and published by *USA Today*, and several other publications.
