### Alleman and Kohler Discuss Driverless Car Litigation With *Law360*

February 5, 2018

William Kohler, Detroit-based senior counsel in Dykema's Corporate Finance Practice Group and co-leader of the Autonomous and Connected Vehicle Team, and Thomas B. Alleman, Dallas-based member in the Commercial Litigation Practice Group and Director of the Insurance Industry Group, talked to *Law360* about assigning culpability and amending regulations affecting autonomous vehicle lawsuits in the article "3 Questions About Self-Driving Car Liability."
