### **Sheryl Toby Provides Supply Chain Contract Drafting Advice in *Manufacturing Today***

**February 8, 2018**

Sheryl L. Toby, metro Detroit-based member of Dykema's Business Services Department, Automotive Industry Group, has authored "Successful Manufacturing Contracting—It's More than Standard Terms and Conditions" for *Manufacturing Today* (vol. 18, issue 1).

In her farsighted article, Toby provides an invaluable practical approach at the front end of the contracting process to avoid later misunderstandings between customers and suppliers. In addition, she emphasizes that manufacturing procurement contracts typically involve numerous documents including RFQ's, terms and conditions and a multitude of quality and other manuals that must be properly linked together and designed to reflect real-world practices.
