### **Dykema Proudly Participating in The Pro Bono Institute's 2018 Law Firm Pro Bono Challenge**

**July 9, 2018**

Dykema is proud to announce that the firm was listed as one of only 138 Signatories for the Pro Bono Institute's 2018 Law Firm Pro Bono Challenge. Since its inception, the Challenge has served as a guidepost to assist major law firms in increasing their commitment to pro bono legal services.

Developed by law firm leaders and corporate general counsel, the Challenge articulates a single standard for one key segment of the legal profession—the world's largest law firms. Major law firms that become Signatories to the Challenge acknowledge their institutional, firm-wide commitment to provide pro bono legal services to low-income and disadvantaged individuals and families and nonprofit groups. To help firms honor this commitment, the Law Firm Pro Bono Project assists firms in creating a supportive environment that promotes pro bono service.
