Bonnie Mayfield Participation in Legal Career Program Featured in *Detroit Legal News*

June 19, 2018

Bonnie Mayfield, Detroit-based member of Dykema's Litigation and Labor & Employment practices, volunteered her time in a mentorship program at Western Michigan University's Cooley Law School. According to the *Detroit Legal News* story, "Law School Hosts National Association of Women Judges MentorJet Program," the annual session invites new attorneys, law school graduates and students to meet with established members of the legal community.
