### Ray Bissmeyer to Present at San Antonio Chamber's Project Ability Summit

September 25, 2018

Ray Bissmeyer, Member and Leader of Dykema's Labor & Employment Practice Group, is scheduled to serve as a speaker at the San Antonio Chamber of Commerce Project Ability Summit on Friday, September 28.

According to the San Antonio Chamber, the Project Ability Summit is a unique event for businesses to learn and discuss effective ways to strengthen their workforce by tapping the talent of individuals with intellectual and developmental disabilities (IDD). The program will feature panel discussions with business representatives and government agencies addressing experiences, challenges, resources, myths, benefits and rewards of recruiting and hiring from the IDD community.

Bissmeyer will serve as a co-panelist for the presentation "The Business Perspective, Workplace Experiences."
