September 27, 2018

Dykema's 6th Annual Definitive Conference for Dental Service Organizations presents an opportunity to learn about current best practices in the areas of legal, regulatory, compliance, tax, consumer finance, billing, operations, M&A, financial reporting and other industry-specific issues. It is an immersive event for practice owners, executives, investors and in-house counsel. If you are new to DSOs or would like to expand or improve your current organization, this event offers solutions for various levels of your organization.

In 2016, Group Dentistry Now, a multimedia company dedicated to the DSO/Group Practice dental market, recognized this conference as a top event worth attending. "Overall if you were looking for an opportunity to meet smaller group practices, mid-sized DSOs or PE groups this conference was a winner." Check out the highlights from the 2018 conference and see what you've been missing.
