***Law360* Reports Findings of Dykema's Annual M&A Survey**

October 26, 2018

Dykema's Annual Mergers and Acquisitions Outlook Survey was discussed in the *Law360* article, "Midterm Elections Could Fan Already Soaring M&A Optimism." In the article, *Law360* reported that optimism about M&A activity is at its highest point in the survey's 14-year history and that the positive vibes could increase even more given the result of the upcoming midterm elections.

Tom Vaughn, Detroit-based member and co-leader of Dykema's M&A practice, was also interviewed and quoted throughout the article.
