***Business Insider* References Dykema Survey in Report on Misconduct Clauses in M&A Deals**

November 4, 2018

Findings from Dykema's Annual Mergers and Acquisitions Outlook Survey were referenced throughout the Business Insider article, "New research shows some purchasers are asking for 'Weinstein Misconduct Clauses' in M&A deals as scandals rock Silicon Valley." In the article, Business Insider points out that only 28 percent of the executives surveyed by Dykema said they participated in a deal where a misconduct clause was proposed.
