### Michael Dorfman Talks Patent Litigation Trends with *Law360*

January 1, 2020

Michael Dorfman, Chicago-based member in Dykema's Intellectual Property Practice Group, was quoted extensively in the *Law360* article "Patent Litigation Trends to Watch in 2020."

The article discusses patents surviving challenges at the Patent Trial and Appeal Board and the influx of infringement cases on U.S. district courts filed by emboldened patent owners. Dorfman references a shift in who nonpracticing entities are targeting in lawsuits and highlights that they are finding creative ways to sue in their court of choice.
