Results of Dykema's 2020 COVID-19 Employer Survey

May 7, 2020

The COVID-19 pandemic brings many increased challenges for employers, including questions regarding the Families First Coronavirus Response Act (FFCRA), complications with layoffs and furloughs, variances in state regulations, and uncertainty of return to work. Dykema canvassed employers to gather collective experience to learn from each other how best to address these various issues and embrace new best practices as businesses adapt to the “new normal.”

The results of the flash survey were revealed in the May 7 webinar, “What’s On Your Mind? Dykema’s COVID-19 'Ask the Attorneys' Webinar for Employers.” Topics covered include:

- The Paycheck Protection Program and Employee Retention Tax Credit
- The FFCRA Emergency Family and Medical Leave Expansion Act
- Staff Reductions
- Plans for Returning to Work
