

## News & Insights

### **Michael Wippler Provides Insight about Real Estate Law for Students in *U.S. News & World Report***

**April 29, 2021**

Michael Wippler, Los Angeles-based member of Dykema's Business Litigation practice group, was quoted in the *U.S. News & World Report* article, "What Real Estate Law Is and Reasons to Study It."

In the article, Wippler describes real estate law and shares valuable advice on classes and extracurricular activities for law students. Wippler suggests obtaining a license as a real estate agent, broker or contractor, as it can bolster credibility within the real estate legal field.
