Eric Thomas Carver, Detroit- and Bloomfield Hills-based member in the Firm's Tax & Estate Planning practice, has been named by *Leading Lawyers* to its list of top Trust, Will and Estate Planning lawyers in Michigan. This recognition, accorded to just 23 attorneys statewide, was acknowledged in a full-page listing published in a recent issue of *The Michigan Deal*, a quarterly magazine jointly produced by *Crain's Detroit Business* and *MIBIZ* (a Grand Rapids-based business journal) that provides news and analysis that relates to Michigan-based companies in the investment sector.
