December 18, 2014

Alan Wilk, Lansing-based member in Dykema's Government Policy practice, gave a presentation regarding "Rules of Engagement" for Michigan Lobby Law and Regulations and Compliance to the Michigan Society of Association Executives (MSAE) Government Affairs Academy.

The Government Affairs Academy is intended to provide the knowledge, for anyone involved in Michigan's legislative environment, to understand and comply with the laws and rules that guide the process. Wilk's presentation was geared toward those involved in compliance with lobby regulations and campaign finance laws. He will also speak at the group's final session in February 2015 about campaign finance compliance.
