Opened in July 2013, Dykema's Austin office is home to experienced and highly credentialed lawyers representing several of the Firm's core practices: Banking, Bankruptcy, Construction, Corporate, Digital Commerce, Environmental, Intellectual Property, Litigation, and Real Estate. These practitioners provide trial counsel, strategic guidance, legal representation and business advice to companies in industries that drive growth in Austin and across Texas. The Austin office is situated in the heart of downtown, just a few blocks from the Texas State Capitol.
