Virtually all of our practice areas are represented in Dykema's Detroit office. Strategically situated in the heart of this major Great Lakes industrial center, we are within walking distance of the courts, city and county buildings and the headquarters of leading Michigan corporations. We represent automotive manufacturers and suppliers, major utilities, private and publicly held corporations, financial institutions, mutual funds, health care facilities, municipalities and public sector clients.

Dykema strives to maintain a workplace that is free from recognized hazards and to promote the health and well-being of our employees, their families, and those who visit our offices. As part of this effort, Dykema has implemented certain safety protocols utilizing CDC, OSHA and other available guidance. Accordingly, Dykema requires that visitors be fully vaccinated against COVID-19 to enter Dykema offices.

COVID-19 Visitor Attestation Form
