“Who Will Own the Rights to Autonomous Cars?”

July 26, 2017

Legaltech News

Van Lindberg, San Antonio-based senior counsel in Dykema’s Intellectual Property Practice Group, authored the article, “Who Will Own the Rights to Autonomous Cars?” for *Legaltech News*.

In his piece, Lindberg analyzes court cases dealing with “First Sale Doctrine” and the “Digital Millennium Copyright Act” and one pending cybersecurity bill to illustrate how patent issues for self-driving cars will be impacted in the future.

Subscribers to *Legaltech News* can read the article [here](#).
