"Missing UCC Attachments in Pennsylvania"

April 2019

American Bar Association

Darrell W. Pierce, Ann Arbor-based co-leader of Dykema's Lending Team and supervisor of the firm's UCC Filing Team, co-authored the article "Missing UCC Attachments in Pennsylvania," as published in the ABA's *Business Law Today*.

Following warnings from The Pennsylvania Bureau of Corporations and Charitable Organizations that any documents attached to recent UCC filings may have been discarded, Pierce recommends corrective actions to be undertaken by filers.
