"The Next Generation of Data Privacy Liability Coverage"

May 2019

For The Defense

Chicago-based attorneys, Rosa M. Tumialán, Erin Johnson and So Young (Anna) Lee collaborated to author the article, "The Next Generation of Data Privacy Liability Coverage," which was published in *For the Defense* magazine's May 2019 issue.

The trio of Dykema attorneys highlight various topics such as the basics of the Biometric Information Privacy Act (BIPA), as well as implications of insurance coverage and policies.
