"Lessening the Pain: How Policies Can Help You Prevent, and Fight Lawsuits"

June 2011

Smart Business Dallas

Every business, no matter how well it is run, faces the possibility of a lawsuit. But there are steps you can take before that happens to position your company to prevail, says Thomas M. Hanson, head of Dykema's Dallas office financial services litigation practice. Said Hanson, "If you're in business, litigation is not necessarily inevitable, but it is certainly a possibility."
